NATIONAL HUMAN TRAFFICKING HOTLINE

0800 222 777

Referrals:

Through our partner referral database the Hotline helps connect callers to Human Trafficking service providers.

The hotline provides access to emergency, transitional, and long-term social services for victims and survivors of human trafficking. Examples of service referrals include case management, shelter, transportation, legal services, mental health and counseling services, and much more.

Training Assistance:

We offer training and technical assistance to law enforcement, medical professionals, airport staff, government agencies and other practitioners. Alternatively, we refer to government departments or organisations in your province. Through partnerships we aim to strengthen local and national structures and protocols to improve the nationwide response to human trafficking as a united front.

Reporting TIPS:

Call Specialists are available 24/7 to take reports of potential human trafficking. All reports are confidential and you may remain anonymous.

Victim Assistance:

Our Call Specialists provide assistance to victims in crisis through safety planning, emotional support and/or immediate connections to emergency services through our network of trained service providers and law enforcement partners.
